

Manuel Souza at Lake Wildwood CC in Penn Valley reports that he came through the recent fire with little more than a scar. Neither the GC property or his home were hurt. He did however spend a few sleepless nights watching homes and land burning. At one point the fire was so intense, that one home burned completely to the ground in 12 minutes....Dave Sexton at Meadow Club, recently finished rebuilding one green and two tees. He is also working on completeing cart paths that should wrap the course. Because of course drainage problems, the paths are built to carry water to the nearest catch basin. They are made out of exposed aggregate....Rick Hansen has left Mountain Shadows GC in Rohnert Park to become the Superintendent at Windsor Club in Windsor. It is a new course designed by Ron Fream....

MEMBERSHIP UPDATE

At a recent Board meeting for the purpose of reviewing our present membership, it was noted that quite a few of our members are qualified to take their class A & B exams. It is the goal of any association to grow and prosper in order to survive. Ours is no exception. Too merely become a member is not enough. The Board realizes that due to the nature of our business it is sometimes hard to schedule the time to take your exam. The Board is also sensitive to the fact that some people have trouble taking exams. Trust me you're not alone. It is for this reason we would like to set up a special study session to help our members prepare for their exams.

If you are interested in participating in the study session, please contact Mike Garvale at Palo Alto Hills CC. (415) 948-0922 or any of our other board members. If we receive enough response we will schedule the session and notify you.

Remember, this isn't only for the benefit of the association, it's for your's as well. Take the time and get involved.
