Many thanks to Don Naumann for twisting Bob Klinestecker's arm and leg to convince his club officers and membership to allow their course to host our event. When you see Bob, be sure to shake his hand and say thanks.

Each year this event becomes more popular and this is only accomplished due to the outstanding members of our organization who support and contribute to its success. The Board of Directors thanks all the members for their continuing support of these events.

Looking forward to seeing everyone on July 15th.
