

Office Notes (Cont'd)

Superintendent Pro, Low Gross Superintendent. In his letter, Ken relates the history behind the club itself. It seems the club was given to Ken by Harry Diamond (Superintendent of Belle Isle Golf Course, Ayr, Scotland). It was Mr. Diamond's suggestion that the club would make an excellent "trophy" for an association competition.

Ken also sent a copy of a letter from "SIGGA" (Scottish & International Golf Greenkeepers Association), Ayrshire Section (See next column). It seems Superintendents Associations are and have been a worldwide venture.

Dear Ken,

I am writing this letter on behalf of the committee of the Ayrshire section of S.I.G.G.A., to make the twinning of our two regions official. There is an excellent rapport between American and Scottish Greenkeepers at present, and we feel that the joining of the two regions will enhance this further. The committee feel, that this would benefit us from a greenkeeping view, with the exchanging of greenkeeping ideas and practice, and also to encourage the social side. This could be expanded further, especially as we both have our respective Golf Open Championships in our regions in 1986.

We raise our glasses in a toast to a long and happy association with our American Colleagues, and hope to meet some of you in the near future.

Should any of your members be planning holidays in Scotland, please do not hesitate to contact either Harry Diamond or myself.
Yours Sincerely,

James R. Grainger
Secretary
