

JASONSLIST NOW ONLINE

The GCSANC website has a new feature now available to all members. *JasonsList*, which is patterned after the popular craigslist website is now online for your convenience to sell or trade equipment and or any other golf course “goodies” within our Nor Cal Chapter.

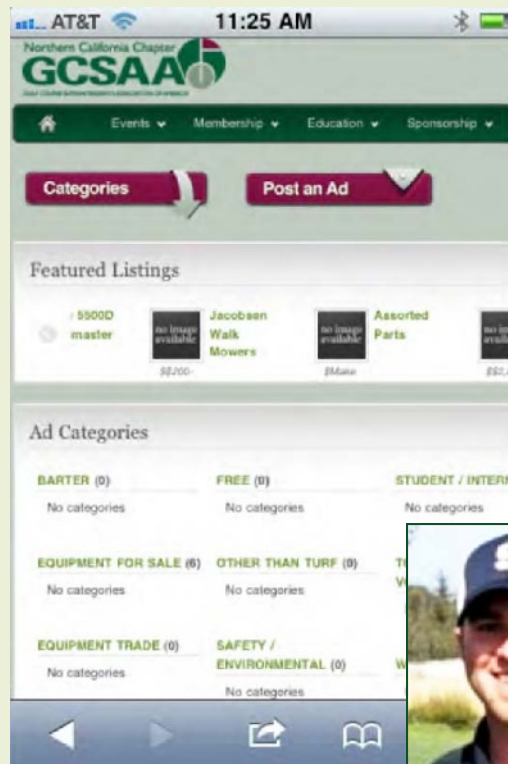

With the ability to write a description and post a picture, then list your item under categories like “For Sale,” “Barter,” or “Free,” the possibilities are endless. Why not give it a try, the only thing you have to lose is that old fairway mower or greens sprayer sitting around collecting dust in your shop. All you need is your user name and password and you’re ready to post an ad.

If you’re wondering where we came up with the name for the site, *JasonsList* is named after the late Jason Oliver, former Assistant Superintendent at Stanford Golf Course & Practice Facility. In 2010 Jason served on the Nor Cal Board of Directors and did a tremendous job representing Assistant Superintendents. In addition to helping upgrade our chapter’s website, Jason was instrumental in putting this online sell-and-trade concept into motion. When he tragically passed away last year it only made sense to name this site in memory of him.

Please take moment and explore this new website feature. We hope you’ll find it to be a helpful tool and an added value to your membership. Your ideas and suggestions are welcome as this is new territory for all of us.

Akoni Ganir

Assistant Superintendent Director

What You've Been Looking for in an Organic and Organic Based Fertilizer... at the RIGHT PRICE!

- Slow Release Nitrogen and Variably Releasing Nitrogen Blends.
- Promotes Turf Density and Speeds Aeration Recovery.
- Enhances Soil Structure for Improved Disease Resistance.

Available in 50 lb. bags, 1 ton totes, and bulk
