Looking For an Engineer Experienced in Building Athletic Fields?

by Eleanor Murfitt

As I began interviewing engineers for designing my township's 60-acre site, I wondered how many engineers write effective specifications for athletic field construction? How many use broiler plate **DOT** specifications? How many directors's like myself know the difference? What are effective specifications? When looking at previous projects the engineer was involved in, would I be able to determine who was

SFMANJ Membership Registration form
