

# Welcome New & Renewed SFMANJ Members

In the beginning of November, SFMANJ mailed invoices for 2005 membership dues to all current members. If you did not receive an invoice, please contact us at (908) 730-7770 or download the 2005 membership form available at [www.sfmanj.org](http://www.sfmanj.org). Remember to mail your renewal/payment direct to SFMANJ, PO Box 370, Annandale, NJ 08801. ♦

**Install Confidence.**

**Rain Curtain Technology**

**The Competition**

**Install Rain Curtain Nozzle Technology.**

Only Rain Bird rotors feature Rain Curtain™ Nozzle Technology that delivers uniform water distribution across the entire radius range for green grass results. Gentle, effective close-in watering around the rotor eliminates dry spots without seed washout, and larger water droplets assure consistent coverage, even in the windiest conditions.

**Install Confidence. Install Rain Bird.**

## You're Always Ahead of the Game with a COVERMASTER® Raincover...

### "Great Service..., The Best..."

wrote **Chip Baker**, Asst. Baseball Coach,  
**Florida State University**, Tallahassee, FL

Chip's comments confirm what we hear from the many groundskeepers who use a COVERMASTER® raincover to keep their fields dry and ready for play.

Call us and we'll gladly tell you more.

### The COVERMASTER® Advantage...

- Superior in strength and UV resistance
- Outstanding heat reflective properties
- Light weight - easy to handle
- Widest materials for least number of seams
- Largest choice of weights and colors
- Backed by truly dependable warranties

### TARP MACHINE VIDEO!

Call, fax or e-mail for a free video, material samples and a brochure.

Covers for football and soccer fields are also readily available.

TARP MACHINE™ lets you roll the cover on and off in minutes.

TARPMATE™ roller comes in 3 lengths with safety end caps.
