
County College of Morris: New Program Option in Turf and Turfgrass Management

by Craig Tolley*

The County College of Morris, Landscape and Horticultural Technology Program is pleased to announce a New Program Option in Turf and Turfgrass Management. This exciting new option will focus on preparing students to manage recreational and athletic turf areas including golf courses and sports fields. Graduates of this program will be ideal candidates for direct entry into the green industry or transfer to a 4 year institution.

Courses will be available as conventional Face-to-face courses, Hybrids (part online, part face-to-face), and as Online courses. For advisement/enrollment information please contact the Landscape and Horticultural Technology Program 973-328-5363 (Professor Craig Tolley or Jan-Marie Traynor) or the Office of Admissions 973-328-5100
