afternoon or early evening (wind and evaporation are problems).

When and how do you irrigate? Please send me your thoughts and comments so that we might establish a

forum on this topic. donsavard@msn.com

* Don Savard is a Certified Sports Field Manager, Vice President of SFMANJ and Director of Athletic

Ann Waters of the (PCP) is taking a new position.

Ann Waters of the New Jersey Department of Environmental Protection Pesticide Control Program of is taking on a new position as an Area Planner with the Office of Smart Growth, within the Department of Community Affairs effective April 18, 2005.

Counties came to rely upon Ann's knowledge and expertise in the application of the PCP regulations in her delivery of CORE curricula across the State. Her work with applicators made it a lot easier for them to want to comply with the regulations. She also reviewed the entire Pesticide Applicator Training Website that was constructed to meet the 2001 changes to the PCP regulations.

Ann was appointed a founding member of the Advisory Committee and has been instrumental in reviewing all major documents that we have released concerning NJDEP pesticide regulations. Ann provided leadership for School IPM to succeed in New Jersey. This included her work on 'The Model Plan for School IPM for New Jersey Schools. ♦
