Assoc. of NJ also donated 2 golf shirts and 2 free individual memberships for the door prizes. Additionally, Doug Spencer and Gerard Brothers, LLC, are graciously acknowledged for donating Club Car drink and people mover utility vehicles for use during the field day.

The day culminated with a final hour of turfgrass education on topics including white grub control and pesticide safety presented by Dr. Albrecht Koppenhofer and Dr. George Hamilton, respectively. In addition to practical turfgrass education and exposure to the latest products offered by green industry vendors, the attendees received New Jersey DEP pesticide credits totaling 5 Category 3B and 1 Core for braving the blazing temperatures and attending all the sessions.

Thank you to all those who came to Adelphia and also all those vendors who purchased booth space and demonstrated equipment. We'll see you at Expo in Atlantic City in December! - Brad ♦
