DID YOU KNOW?

The Mets play their first game at Shea in 2007 on Monday May 9 against Philadelphia.

Install Confidence.

Rain Curtain Technology

The Competition

Install Rain Curtain Nozzle Technology.

Only Rain Bird rotors feature Rain Curtain™ Nozzle Technology that delivers uniform water distribution across the entire radius range for green grass results. Gentle, effective close-in watering around the rotor eliminates dry spots without seed washout, and larger water droplets assure consistent coverage, even in the windiest conditions.

Install Confidence. Install Rain Bird.
