

SFMANJ PHOTO QUIZ: GUESS THE BALLPARK!

The first SFMANJ member to accurately name this past MLB ballpark (pictured) and city in which it resides will be awarded an SFMANJ tee shirt. Responses can be emailed to SFMANJ Update Editor Brad Park at park@aesop.rutgers.edu

Install Confidence.™

**Install Rain Curtain
Nozzle Technology.™**

Only Rain Bird rotors feature Rain Curtain™ Nozzle Technology that delivers uniform water distribution across the entire radius range for green grass results. Gentle, effective close-in watering around the rotor eliminates dry spots without seed washout, and larger water droplets assure consistent coverage, even in the windiest conditions.
