FIELD DAY 2010

By Brad Park

SFMANJ to again sponsor a Trade Show and Equipment Demonstrations at Rutgers' Adelphia Research Farm

SAVE THE DATE – July 28, 2010

In what has become a highly successful integration of turfgrass education and vendor participation, Sports Field Managers Association of New Jersey (SFMANJ) will once again collaborate with the New Jersey Turfgrass Association (NJTA) and Rutgers University to take part in the annual Rutgers Lawn, Landscape, and Sports Turf Field Day at the Rutgers Adelphia Research Farm in Adelphia, NJ. The Field Day will be held on July 28, 2010.

A trade show, sponsored by SFMANJ, will begin at 7:30 am in conjunction with morning registration. Coffee and bagels will be served. Education and equipment demonstrations will begin at 9:00 am. This will be the third year where equipment demonstrations will be integrated into morning tour stop rotations. Expect to see the latest in lawn, landscape, and sports turf equipment each hour of the morning in addition to practical turfgrass information including the newest cool season turfgrass cultivars and pest management strategies.

As always, this is a great opportunity for SFMANJ members and other Green Industry professionals to network with peers and industry representatives as well as examine the latest product offerings from trade show and demonstration vendors. Pesticide credits will be available to those certified applicators in attendance.

Schedule for August 1 is as follows:

- 7:30 am Registration & Trade Show Opening
- 9:00 am Research Tours & Equipment Demonstrations
- 1:00 pm Lunch and trade show
- 2:00 pm Conclusion & Pesticide credits

Look for registration materials to arrive in the mail. Online registration will be available at the NJTA website: www.njturfgrass.org
