### Alco Introduces "Weed Out"

A new granular soil sterilant said to effectively prevent regrowth of weeds and grass for several years, is the newest product of Alco Chemical Co., Artesia, Cal.

Called "Weed Out," the product can be applied either in its granular form or dissolved in water and used as a spray. In either case, rain or sprinkling is necessary to carry the sterilant to the root zone for final killing action.

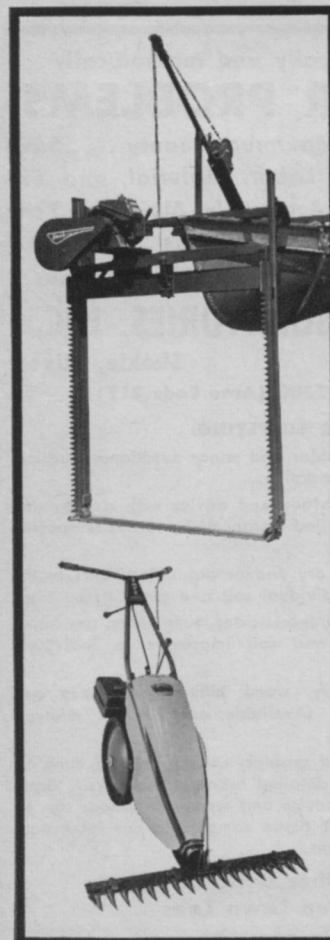

Interested readers may obtain further details by writing the company.

### NOW JARI WHIPS WEEDS ON LAND AND UNDER WATER

Pesky weeds have marred the beauty of lakeshore homes and spoiled the swimming and boating. With the new Underwater Mower, Jari can beat the weeds wherever they are. This Underwater model mows 'em from the surface to a depth of 42". Now, any beach can be fun. And on land, the heavy duty Monarch Sickle Bar Mower knocks weeds down even on rough, rocky ground or steep slopes.

#### New Underwater Weed Mower

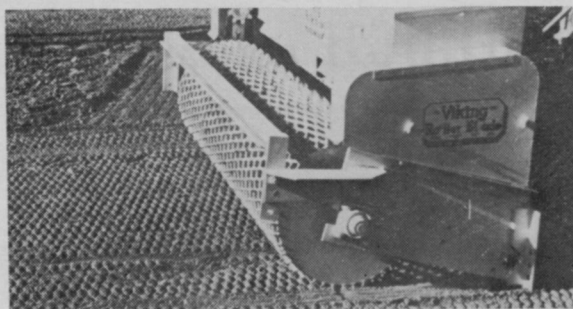

- ★ Clears a 42" wide swath
- ★ Easy to mount on standard rowboats
- ★ Adjustable cutting depth

#### Monarch Sickle Bar Mower

- ★ Self propelled, 3 H.P. Model
- ★ 36" or 44" sickle bars
- ★ Won't throw stones, glass

## One Viking Roller Blade

### does all 12 Landscape Jobs

Light Tillage	Fine Grading	Clod Busting
Precision Seeding	Compaction	Leveling
Fertilizing	Top Dressing	Aerating
Mulching	Raking	Renovating

One, low cost tool does them all. Turns 600 sq. yards of average, rough graded land into a level, clodless, fine graded seedbed . . . in 20 minutes. The blade, floating between the roller and the tractor wheels, cuts high spots . . . spreads dirt out level . . . fills low spots . . . automatically.

No additional hand raking required. Then, this same Viking Roller Blade SEEDS, FERTILIZES and COMPACTS this same area IN LESS THAN 15 minutes.

There's a low cost model designed for your parks or recreation areas. Send for details and Free "How to . . ." Booklet. Dept. 153
