

UNIVERSAL

Wheel Pump SPRAYER

It pumps
as it's
pushed!

For Turf Care!

The Universal wheel pump sprayer milks out a measured amount of solution in a heavy residual spray as it is pushed over the turf. Each nozzle spreads a 24-inch path of solution at the approximate rate of one gallon per 1,000 sq. ft. No other sprayer like it. Made especially for expert turf care. Ideal for irregular shaped lots and lots too small for your power rig. Soon becomes one of your most often used pieces of lawn equipment. 7-gal. and 3-gal. sizes.
