Jari's Heavy-Duty Rotary Mower Designed for Safety

"Jobmaster VI," a heavy-duty self-propelled, rotary mower recently introduced by the Jari Corp., Minneapolis, Minn., is designed to close the "hazard gap," the maker says. To reduce clearance between the rear of the mower housing and the ground, "the hazard gap," Jari has installed a safety flange that hangs between the operator and blade. This flange, which is mounted on wheel axles, cuts ground clearance to 1/2 in. and acts as a shield for the operator.

With two forward speeds, reverse, and free-wheeling, Jobmaster VI is powered by a 6-hp. engine with recoil starter, and cuts a 25-in. swath. The four-wheeled mower can safely accommodate moderate to large-size mowing areas, and is adaptable to the finest turf as well as to man-size brush or weeds, Jari declares.

Available in walk-behind or

Jobmaster VI rotary mower has reduced clearance between rear of housing and ground for safer operation, maker Jari Corp. says.

riding models, Jobmaster VI weighs 185 lbs. and is constructed of 10- to 12-gauge steel weldments. The tempered single cutter blade has a 4-in. long sharpened edge with 1/2-in. high turbulence surfaces and is housed in a 5-in. deep elliptical grass chamber. Now being marketed by Jari's distributors and dealers, Jobmaster VI will be described in detail for those writing Jari Corp., 2950 Pillsbury Ave. South, Minneapolis, Minn. 55408.

Cyclone Offers New Pull-Type Spreader

The Cyclone Seeder Co., Inc., Urbana, Ill., now offers a broadcast lawn spreader designed to be pulled behind riding mowers and small lawn and garden tractors. Model B-P spreader is reported to be suitable for seeding, spreading fertilizers, granular pesticides, soil conditioners, ice melters, and similar materials.

A smooth swath with tapered edges, without "hot spots," streaks, or misses is obtained from the spreader, Cyclone says. Pelleted materials are spread in swaths up to 8 ft. wide. Model

Pull-type Cyclone spreader-seeder spins out material in a smooth swath up to 8 ft. wide.
