

Wind
he's got
plenty
of...

Do you?
You should.

It's important to keep
on breathing.

After all, you're a candidate too. For health. For a reasonably long life.

If you're short of breath... if you cough too much... you may find it tough to win. Don't take chances with these symptoms of respiratory disease.

Take good care of your wind; you'll need it as long as you live. This is the recommendation of your local Christmas Seal organization and the National Tuberculosis Association.

*Short of breath?
Cough too much?
Don't take chances.
See your doctor.*
