## The Cover

This December cover of WEEDS TREES AND TURF magazine illustrates the variety of equipment available to the non-crop

horticultural industry. Aerial devices such as these offer tremendous latitude and variety in selection. This is only one type of equipment listed in the WTT 1969 Suppliers Guide and Equipment Directory which begins on page 12.

The cover scene is from the demonstration field day of the International Shade Tree Conference at the Morton Arboretum near Chicago this past summer.
