## NLA Announces First Home Design Awards

The National Landscape Association has presented the first annual Residential Landscape Design Awards and Certificates of Merit.

Judges selected four first place awards and five projects for certificates of merit.

NLA's award program recognizes those professionals who have created outstanding residential landscape designs as well as those who execute those designs through landscape installation.

First place awards were presented to Bert T. Foster & Associates, and Tropical Arts, both of Orlando, Fla., for the design and landscaping of an Orlando residence; Garden Gate

Landscaping, Silver Spring, Md., for a home in Potomac, Md.; M. Paul Friedberg & Associates, New York City, for the design of a residence in Southampton, N.Y., and Lewis & Valentine, Greenvale, N.Y. for the landscape installation of that residence; and Edward D. Stone, Jr. & Associates, in Fort Lauderdale, and Mike Blank Nurseries, Delray Beach, Fla., for a Delray Beach home.

## HI-RANGER® HIGHER... SAFER... FOR MORE JOBS

HI-RANGER® saves manpower and money, speeding operators to high work more safely. One reason is HI-RANGER's patented one-hand control with "deadman" safety interlock. Operators work faster with less fatigue on such jobs as tree trimming and lighting maintenance. The insulated boom and easy, accurate "spotting" of the work platform promotes safety on jobs where work is near electrical hazards.
