#### PRO-TURF

O. M. Scott & Sons

**FOR  
POSITIVE  
WEED  
CONTROL  
TRIMEC®  
TURF HERBICIDE  
MAKES THE  
DIFFERENCE!**

Now you can have positive control of hard-to-kill weeds in cool as well as warm temperatures on a variety of 2,4-D resistant weeds.

Trimec turf herbicide is a patented combination of herbicides that display "synergism" and controls hard-to-kill weeds at lower rates than normally needed with the individual herbicides you're now using.

Gordon's Fairway Broadleaf Herbicide is in a class by itself. It contains 2,4-D, MCPP and Dicamba in a patented formulation which controls virtually all broadleaf weed species, while the individual herbicide components do not. It is the patented "synergism" of the formulation that makes the difference.

Call 913/342-8780 today, or write Gordon's about new Trimec Fairway Broadleaf Herbicide and other Gordon turf care products.

Meet the new head of  
the Rhino family...the  
**RHINO**  
**1400**  
UTILITY BLADE

Designed for Category II and III tractors of 90 hp and up, this new leader of the Servis RHINO family puts more than 1400 pounds of mass into every ditching, grading and backfilling job. Optional hydraulics control (at a touch) the patented main frame rotation and blade tilt. The RHINO 1400 has an eight-foot moldboard, and support stand for hitching. Adaptable for quick-coupler. Ask your Servis dealer for a demonstration of the new RHINO 1400—or any of the other famous Servis blades.

**SUPER RHINO BLADE**

**EXTRA HEAVY DUTY BLADE** comes with thirty-six easy adjustments for angle, offset, tilt and pitch... without using a wrench! Four basic positions: standard, angled, reverse and extended. Takes on the toughest jobs with ease. Designed for wheel type tractors with 75 hp to 100 hp drawbar ratings, with either 3-point lift or 2-point fast hitch. Available in 7' and 8' moldboard lengths. Blade offsets 30" right or left. Fits tractor Categories I and II.

**BIG RHINO BLADE**

**HEAVY DUTY BLADE** finds dozens of jobs to do. Whether it's cutting ditches or filling them in... smoothing, leveling or grading... this blade will be one of your handiest tools. For wheel type 3-point lift tractors with up to 75 hp drawbar ratings. Thirty-four complete adjustments for blade pitch, angle and tilt. Available with standard 7' or optional 8' moldboard. Blade offsets 30" right or left. Fits tractor Categories I and II.

**LITTLE RHINO BLADE**

**GENERAL DUTY BLADE** is smaller—but plenty tough—and ideal for leveling and dirt moving, digging and covering ditches, as well as for roadway work and windrowing. Moldboard extensions are available for converting this versatile six-footer into a rugged 7' blade. An optional 8' blade is also available. For wheel type 3-point lift tractors with up to 55 hp drawbar ratings. Thirty complete adjustments for blade pitch, angle and tilt. Blade offsets 23" right or left. For Category I only.

**LONE STAR BLADE**

**LIGHT UTILITY BLADE** is priced for popular demand. Designed for strength and durability, the Lone Star has 10 adjustments for angle of blade, 3 reverse blade positions and tilt adjustment. For wheel type 3-point lift tractors with up to 40 hp drawbar ratings. Blade offsets 12" right or left. Standard width is 6'. Also available in a special 8' wide model. All-steel welded construction. For Category I tractors.

**Maintain lush grass**

**and healthy turf**

**with Ryan equipment**

Ryan turf-care machines are used the world over on golf courses, parks, playgrounds, plant sites, schools, colleges and home lawns. If you care for an acre of turf, or more, these three Ryan machines will help make your job easier:

**1. Ryan Tracaire**—this tractor-drawn aerator is designed to *core, slice and renovate* large, level areas... enables you to aerate all season. It opens up compacted soil. Allows air, water and fertilizer to penetrate to root zone for healthy, green turf.

**2. Ryan Spreadrite**—after aerating, it's time to top dress and fertilize. Self-propelled Spreadrite does either fast and well. It spreads any pulverized or screened materials, including sand and salt.

**3. Ryan Jr Sod Cutter**—if troubled areas need re-sodding, this sod cutter will do the job best for you. Three models of JR Sod Cutters are available for small to large "transplant operations".

Attachment blades are available for all models for trenching, edging, filling, pipe laying and subsoil aeration.

Introducing a New Era  
in turf maintenance...

# Myers new TurfLine Sprayers

This is the TL10ETMG, headliner of the new Myers TurfLine Sprayers. It's designed specifically for eliminating weeds, fungus and insects. It also reduces labor, saves time and lets you get on with other work. If turf, shrubs and trees are your responsibility, it'll pay you to look at this one. It includes features like these:

- Hi-flotation tires for minimum ground compaction. Distributes weight evenly for a smooth ride over all kinds of terrain.
- Adjustable fast hitch makes it usable with tractors and carts.
- Molded fiberglass tank (100 gallon capacity) has prop-type agitator and built-in sight gauge.
- Plunger type spray pump (10 GPM at 300 PSI) handles liquids as well as wettable powders.
- Boom covers 15-foot spray swath, uses nylon, drip-proof diaphragm check nozzles, folds and stores on built-in arresting hooks.
- Has convenient hose connections for high pressure spray gun work.

Thoroughly field proven, this unit has already shown people in all parts of the country how to handle their grounds maintenance jobs efficiently and economically. Shouldn't you look into this one now? See your Myers TurfLine Dealer or write today for our new catalog.

## New from DITCH WITCH THE R65

Greater power ...  
new features  
for service  
and main-line work

**THE DITCH WITCH R65 . . .** A powerful 65 H.P. air cooled engine plus advanced, proven DITCH WITCH design features make the new R65 trencher safe and easy to operate, while handling the most challenging trenching jobs. Some of the new outstanding features of the new R65 are: dependable disc-brake system . . . heavy duty power steering and suspension system . . . front or rear mounted backhoe capability . . . one piece removable hood for ease of maintenance . . . heavy-duty hydraulic power system and convenient quick connect hydraulic coupler manifold. All of these plus safe rigid frame construction, four-wheel drive, convenient hydraulic assist to all control systems plus four mechanically-selective digging chain speeds, with reverse; operated independently of the variable controlled hydraulic trenching travel speed. Trench to 7 feet deep and to 24" wide. Attachments available are vibratory plow, backhoe, and horizontal boring unit. Let your DITCH WITCH dealer bring an R65 to your job site!

**THE NEW REINCO TM7-30 TRUCK MOUNTED MULCHER**

Ideally suited for commercial or residential turf work. A 4 ton an hour mini-brute, the Reinco TM7-30 is a "lawn a minute" work horse—blowing mulch distances up to 60 feet. Unique direct drive eliminates power robbing belts, chains, gears, etc. Cuts labor expenses by 60%. Price? . . . It's Low!

**TWO FOR THE PRICE OF ONE!!**  
This Pair Of Profit Producers  
Costs Less Than ONE Large  
"Brand X" Mulcher Or Seeder!

HYDROGRASSING  
AND  
MULCHING

**HG-8 HYDROGRASSER**

The HG-8 . . . a versatile 800 gallon medium range hydrograsser. Perfect for distances from 20-80 feet. Hydrodynamic jet agitation results in a continuous uniform solids dispersion and less down time for maintenance, seed, fertilizer and mulch in one operation. An 800 gallon batch in less than 15 minutes! The HG-8 will produce higher profits by reducing costs and increasing job range.

number one

Independent laboratory tests prove WILT PRUF 40 to 50 times more effective in stopping excess water-loss than any substitutes. You can have test details on request. Better still, you can try WILT PRUF yourself as a preventive against transplant shock, winter kill, summer scald, city air pollution. You'll find it's a real life saver. There is no second choice! Write on your letter-head for informative free literature.

## WILT PRUF

NURSERY SPECIALTY PRODUCTS, INC. / 410 Greenwich Ave.,  
 Greenwich, Conn. 06830 (203) 661-5840

## Big Sipper

Here's a suction strainer that's all sip and no spit—just what you need when you're filling your spray tank from pond or stream. And it's just what you need to comply with recent pollution control laws.

Big Sipper sucks up more water per minute for more efficient spraying. Yet there's no danger that chemicals will siphon back into your water source. A corrosion-free neoprene ball instantly seals off any possible siphoning at shut-down. It works far more assuredly than an easily-jammed gate valve or a sluggish, corrosion-prone metal ball.

The Big Sipper is a lightweight casting, so there's less danger it'll sink into the muddy bottom. And the strainer is recessed to assure free water passage.

Get all the facts about the Big Sipper. Write for our free spray hose coupling and accessory catalog.

### SAFETY TEST HEAVY DUTY

# WOOD/CHUCK®

Okay. But what puts Safety Test Wood/Chuck in a class by itself where chippers are concerned? Just superior performance, economy and safety.

First, there's less down-time for blade adjustment and replacement. The Wood/Chuck's

blades lock into the rugged rotor and automatically position properly. This takes just minutes for a Wood/Chuck but often requires hours with other chippers. Wood/Chuck's blades are "V"-grooved for full length support that means extra safety. And where most "chippers'" blades are so positioned that chips are actually crushed away . . . the Wood/Chuck's shallow blade angle slices chips away. Goodbye friction, wasted energy and vibration; jobs go faster, fuel goes farther.

Only the Wood/Chuck has really been built from the ground up as a chipper for heavy-duty use. It's modern, functional, no-nonsense design sets it apart. Above all, the Safety Test Wood/Chuck has that built-in Safety Test "Extra Measure" of dependability. You can rely on it to do a full day's work . . . day after day, year after year. Frankly, there are dozens of reasons why no other chipper compares with the Wood/Chuck. You owe it to yourself to get the full story from your Wood/Chuck representative or write Safety Test & Equipment Co., Inc., P.O. Drawer 400, Shelby, N. C. 28150.

## THE ALL-PURPOSE CHOPPER

To Dispose Of Your  
Branches, Stalks, Vines, Trimmings

### LINDIG KAJON CHOPPER

Now there is a 4 and 7 hp chopper to rapidly process branches (up to 2 1/4" dia.), yard trimmings and leaves. Kajon works just like the large chippers to turn leftover organic material into instant mulch. Bag it for convenient disposal or re-use it as natural fertilizer. Kajon replaces outdoor burning, helps keep our air a little cleaner. Gas engine or electric motor available.

## BECK'S BIG ROLL SYSTEM . . . HARVESTER, LOADER, LAYER

Use your 3-point hitch equipment

This is the fastest system on the market. Cut and roll up to 1200 yards per hour without manual handling of sod, and lay it mechanically as fast as it's harvested. Inexpensive tubular reels take less space than pallets, are lighter, last longer, and permit easy loading and unloading with a fork-lift mounted on a 3-point hitch. All lifting and handling is done by machine. Because it slashes labor costs for the landscaper, it is a sales machine for the grower. Stretches sod 3% to 5%. Leaves lawns smoother with fewer seams and joints.

DATA

**HI-RANGER  
GETS YOU  
ALOFT FOR  
MORE JOBS**

HI-RANGER® saves manpower and money, speeding operators to high work more safely. One reason is HI-RANGER'S patented one-hand control with "deadman" safety interlock. Operators work faster with less fatigue on such jobs as tree trimming and lighting maintenance. The insulated boom and easy, accurate "spotting" of the work platform promotes safety on utility jobs, while park men accomplish more with HI-RANGER because the men aloft get in closer quicker on high tree work. Write for new HI-RANGER BROCHURE for details . . .

**MOVING?**

**Changing Your Address?**

If so, notify our circulation department right away to be certain the magazine reaches you at your new location. The Post Office won't forward your copies. So when you write us, make it at least three weeks in advance of your moving date, and include your old address, as well as the new one. We'll see you don't miss a single issue.

Send old and new address information to:

**WEEDS TREES and TURF**

Circulation Department  
 9800 Detroit Ave., Cleveland, Ohio 44102

**Of Course, We Still Have Them!**

**Permanent Magazine Binders**

Keep 12 issues of Weeds Trees and Turf in one neat package • Magazine can be easily inserted as it arrives. • Binder protects, gives bookshelf a neat appearance.

Send check or money order to:

**WEEDS TREES and TURF**  
 9800 Detroit Ave., Cleveland, Ohio 44102

Worth Over 400 Times  
Their Weight in Iron

New!!

**Medicaps Trunk Injection  
For Fast Easy  
Chlorosis Remedy**

**ACCURATE**—Premeasured, self-contained MEDICAPS "cartridges."

**EFFECTIVE**—Trees respond to MEDICAPS treatment in as little as 14 days. Tested by leading Universities.

**ECONOMICAL**—More efficient than soil or foliage applications. MEDICAPS efficiency means low cost with lasting results.
