## 180" Versa-Mower. Its wings float 60° up... 22° down.

If Brillion builds it—it has to be better!

The Brillion Versa-Mower has two 5' wings that safely operate up to 60° above horizontal, or 22° below. Lets you cut a 15' swath on embankments, gulleys, rolling terrain, without scalping. Wings lift and lower hydraulically. Even fold vertical for an 88" transport width.

Versa-Mower cutting heights adjust hydraulically from 1" to 14." All wheels are inside cutting path for smooth, even mowing. Skids on center section and on wings. For tractors 45 hp. and up, with 540 rpm. PTO. Drive shaft protected with shear pins, or optional slip clutch. Other options include: front and rear safety chain guards, manual lift kits, hydraulic control kits for most tractors.

Look into the Brillion Versa-Mower. It's ideal for highway right-of-ways, parks, golf courses, airports, industrial sites. Mail coupon for full details.
