Another Asplundh first... the applicator pole...speeds the action...increases production

For faster year-round applications use Asplundh's inhibitor fortified tree paint with the new applicator pole. It is now packaged in a proven all-weather aerosol can on an extension pole. This extended spray method will greatly increase production compared to the old fashioned brush-on or hand held aerosol spray can, thus further reducing unit cost. So when you are looking for what's new in reliable, economical tree care . . . ASK ASPLUNDH.

**SPECIAL OFFER—FREE APPLICATOR
with every eight cases of tree paint.**
