The Cover

Resthaven Cemetery, among the most beautiful in the mid-west, includes a new mausoleum. It has four wings lined with Alabama marble. A part of contract applicator Carl Ripper's operation, the grounds include pool and swans in foreground. Trimmed trees are Chinese elms, trimmed by a tree surgeon because of disease. They normally leaf out after a 6-month period, Ripper says. Photo is by Donald McGuinness, who also did Ripper's story which begins on page 12.
