HELP WANTED

FORESTER: A well-established Midwestern tree service company is seeking a graduate forester interested in availing himself of an opportunity to become a part of management and participate in the continued growth of the company. The responsibilities of such a person would include, but not necessarily be limited to, tree and lawn service to private property owners, consulting, research, and other types of related services. The program is presently established but someone is needed with the initiative and capability of expanding into greater areas. Several years experience in any of the above phases of service is desirable but not necessarily required. We offer an attractive salary with the possibilities of a bonus together with the usual fringes including an excellent health, accident, and life insurance group plan. Please address your inquiry to Box 79, Weeds Trees & Turf, 9800 Detroit Ave., Cleveland, Ohio 44102.

WANTED

District Manager for growth area in Florida. Duties include supervising all aspects (training, sales, production, quality control, administration, creating additional branches, etc.) of our established turf and ornamental spraying business in his district. The branch managers in his district would be directly responsible to him for operation of their branches. This is an excellent opportunity for a man with training in horticulture or related fields, and with a moderate to heavy business background. A successfully proven training program is available. We are a growth company with ambitious but realistic goals presently grossing over \$1,000,000 annually. Generous compensation and benefits for qualified man. Send resume to:
