HELP WANTED

SALES and SERVICE REPRESENTATIVES

Expanding sales and growth of our company has generated an immediate need for two qualified sales and service representatives.

Positions report to the National Sales and Service Supervisor and focus on the following responsibilities: provide sales and technical support to distributors and users of Fison's well-established pest control insecticide, FICAM; respond to customer inquiries, establish and maintain liaison with federal, state and local agencies which may impact on the use of FICAM; gather information relevant to product marketing.

One territory includes the Southeastern states, the other territory primarily covers Texas, Louisiana, Mississippi and Arkansas.

Background must include academic training in Entomology or other natural sciences, relevant commercial experience and technical competence in the pest control industry, and the ability to promote the use of FICAM by successfully addressing small and large groups. Candidates must be willing to travel.

We offer good starting salaries, excellent benefits program, company car and business expenses, and an opportunity for professional and personal growth in a small but expanding organization.

Please submit resume, including salary requirements, in confidence, to:

Personnel Manager.

FISONS INCORPORATED

2 Preston Court, Bedford, Mass. 01730

The above position is open for application to qualified men and women regardless of race, national origin, age, religion, creed or physical handicap.
