FEATURES

Tips on Athletic Field Construction and Maintenance

Picking the right drainage, irrigation, type of grass, fertilizers, and other materials is the first step. Once your field is established, you must mow, water, aerate, and fertilize properly to keep it healthy. 18

Honeylocust Makes Comeback in Urban Landscapes

If not overused, the honeylocust makes a desirable tree in cities because of its fast growth rate and compatibility with turf. Horticulturist Doug Chapman discusses varieties and characteristics. 23

TURFGRASS INSECTS—TURF MANAGEMENT SERIES, PART 6

Insects, the cause of approximately \$20 billion in damage in the U.S. each year, cover the text of the sixth and last part of our turf management series. Editor Bruce Shank discusses research and development, state and federal regulations, and control methods of major pests. 25
