FUEL COSTS, MAINTENANCE, DOWNTIME, & GRASS. BUNTON CUTS IT ALL.

30 hp Deutz diesel. The standard of comparison for extra long-life, low maintenance and fuel efficiency.

Extra heavy 7 gauge steel main frame, welded one-piece. Designed to accommodate the heavier 30 hp Deutz diesel.

Front mounted rotary mower attachments. Bunton built for durability and maneuverability.

Long known for building rugged, high performance mowers, Bunton Co. in 1979 introduced the industry's first diesel engine tractor for front mounted rotary mowers. The diesel provides longer engine life, lower maintenance and about half the fuel consumption of gasoline powered engines. Most diesel engines in commercial applications pay for themselves in less than two years on fuel savings alone.

Bunton builds 76 models of commercial rotary mowers, many with optional engines, attachments and features. All are designed and built for low downtime and long life. Call or write for more information.

Engine options:

- 30 hp Deutz diesel
- 19 hp Wisconsin diesel
- 19 hp Continental gas
- 20 hp Kohler gas

Mower options:

- 61 inch Turf mower
- 61 inch Mulching mower
- 71 inch Turf mower
- 71 inch Mulching mower

Current contract numbers:

G.S.A. GS-07S-04912

H.U.D. OPH(CO)m-2924

Bunton builds 'em better.

mott Flail Mowers **HAMMER KNIFE** can cut your **TURF CARE COSTS**

Mott Flail Mowers reflect extra value through greater versatility, added production with longer trouble-free life, and safer operation.

No other mowing system is as versatile as the flail. With only one mower investment, you can trim fine lawns, shred tough weeds, mulch, renovate, dethatch and scalp. You can work any area that is smooth or rough, clean or trashy, level or steeply banked, dry or "liquid wet". And you can operate with much greater safety than with rotary mowers.

Mott Flail Mowers are built to last and can be used with most tractors. Models are available in widths from 38 to 88 inches. In combination, they will handle up to 19 foot swaths.

Contact us today and discover how the extra value of Mott Flails can pay off by cutting your turf care costs.

MOW LAWNS ■ RENOVATE ■ MULCH LEAVES ■ SHRED WEEDS

Mott Interstater Cuts 19' Swath.

**A remarkable innovation
in FORK LIFTS**

The SPYDER
... versatile,
flexible,
maneuverable.

PORTABILITY: Can load itself on rear of truck or trailer bed or attach to custom designed trailer for towing behind car or pick up truck.
WEIGHT: Approximately 2700 pounds.
CAPACITY: Carry over 3,500 lbs. Comparable to 12,000 lb. Fork lift.
PERFORMANCE: Can outperform, outmaneuver, and out maintain any other fork lift.

OPERATION: Operates in rough terrain and muddy conditions.
STRENGTH: Exceptional strength comes from total hydraulic system and ability to balance load.

**Economically Priced
Low Maintenance**
