Society of American Florists Annual Convention, Fontainebleau Hotel, Miami, FL, **July 21-25.** Contact Darryl McEwen, 800/336-4743.

It drives your dirt to drink

...and drain too much or too little water, and you've got problems! ... unless you use Aqua-Gro the rootzone water management tool.

Aqua-Gro is specially formulated to eliminate problems from excessive moisture. Its unique blend ensures faster, more uniform water penetration and drainage. Aqua-Gro will provide the desired residual benefits, irrigation after irrigation, because it does not leach. Insufficient moisture can cause localized dry spots and browned out turf.

University of Georgia CES Turf Field Day, Athens, GA, **July 21**. Contact Dr. Gilbert Landry Jr., University of Georgia CES, Department of Agronomy, Athens, GA 30602, 404/542-2692.

Aqua-Gro provides fast relief. Aqua-Gro moves water into the rootzone reducing run-off and evaporation. More uniform water movement and distribution through the soil profile reduces summer stress and watering costs 30%-50%. In addition, Aqua-Gro enhances the efficacy of pesticides and fertilizers, while eliminating the problems associated with thatch, compaction, and poor soil mixing.

So use Aqua-Gro. Available in liquid concentrate or spreadable granular from your local distributor. It's an important ingredient to insure the constant healthy growth of turf on grounds, playing fields, and golf courses.
