24 Interiorscape Planning Involves Building And Plant Specialists

The indoor landscape has been accepted by urban builders as evidenced by major projects in New York City. John Mini tells how to work with architects and engineers to meet plant specifications.

26 Turf Needs Don't Match Customer's Wants

ChemLawn agronomist Charles Darrah describes a lawn care dilemma, matching the customer's desire for a dark green lawn year-round with the agronomic needs of the turfgrass plant. Lawn care specific research is needed, Darrah says.

31 Landscape Management Profile: The Contractor Waits for Recovery

An anticipated shift toward maintenance from construction has not occurred according to the most recent *Weeds Trees & Turf* market survey. Small shifts in target customers are reported. One small and one large firm are profiled in their approach to business and the economy.

44 15 Plants For '83 Landscapes

Doug Chapman selects from recent plant introductions for your 1983 shopping and specification lists. All have improved resistance to insects and disease to help streamline maintenance programs.
