24 Report From Iron Country

Golf and landscape equipment manufacturers predict a shake-out in the number of equipment companies as new ones enter the market. Manufacturers reveal plans and problems. 1983 may set records for the number of new models.

32 Sleek and Wiser, State of the Industry

As construction returns, gains in productivity and cost control are still needed. Will parks be able to meet the increasing demand for athletic fields, and will they be managed properly? A look at

all segments of the Green Industry.

36 The Sod Market, Ready to Rebound

The latest *Weeds Trees & Turf* survey shows a fall in staff and purchases in the last three years. But, new technology enables sod producers to bounce back quickly with new construction.

38 New Breed in Oregon Accepts Renovation

Oregon Turf Farm manager Will Lighty bases the future of sod on a new breed of customer with new attitudes about lawn renovation. The advantages of sod for instant, quality turf cover can overcome reluctance of price compared to lawn seeding.

40 Efficiency is Key to Long Island Sod Farm

Dick McGovern considers efficiency the key to success in sod today. Equipment and using the land like a commodity keep McGovern Sod Farms a major factor in the New York metropolitan area.
