NEW

THE THOROUGHbred OF LAWN GRASSES

Finelawn 1 Turf Type Tall Fescue is the new standard of excellence. Years of research and development have created a tall fescue with the beauty and toughness of a stallion. The narrow tapering leaves and brighter green color of Finelawn 1 produce a look of true distinction. Here's toughness that adapts to heat, drought, shade, cold, and stands up to heavy traffic. Finelawn 1 is bred to resist brown patch, crown rust and 5 other turf diseases. Try Finelawn 1 Turf Type Tall Fescue—the new champion!
