

WEEDS TREES & TURF

The Magazine of Landscape and Golf Course Management Since 1962

18 A Breed Apart

There's no such person as a "typical" athletic field manager. That is one finding of WT&T's survey of athletic field managers across the country. There's a lot more to athletic field maintenance than keeping the grass green.

34 Proud of Their Roots

Notre Dame and Penn State athletic field managers know what it takes to keep two of the premier college fields in top condition. They also know what it takes to keep traditions alive.

46 Poa Trivialis—A Specialty Use Grass

Dr. Richard Hurley of Lofts Seed discusses the characteristics and uses of this versatile turfgrass.

22 Good Luck Charm for the Pros

Tiger Stadium and Wrigley Field have had their share of pennant-winning teams. Meet the men responsible for the turf at two of the country's baseball shrines.

42 Only the Best Will Do

Most prep field managers agree natural turf is best—for both safety and playability.
