Winter Plant Survival

Going Full-Service

A large, detailed illustration of a hand holding a clump of soil with roots. The hand is positioned in the center, with fingers curled around the soil. The soil is dark brown and has several roots extending downwards. The background is a light green, suggesting grass. The entire scene is surrounded by a shower of falling money, with numerous \$100 bills falling from the top right towards the bottom. The bills are depicted in various orientations, some partially overlapping, creating a sense of a heavy rain of cash. The overall color palette is dominated by greens and browns, with the bright green of the money bills providing a strong contrast.
