THE MULCHING SOLUTION

Goossen Bale Chopper

In the field since 1982, the Goossen Bale Chopper is a proven landscaping machine. One or two operators lay down an even layer of mulch on newly seeded lawns of any size (the Bale Chopper is easy to maneuver in even the smallest residential applications). The even coverage, WITHOUT tearing and spreading bales by hand, means better moisture retention, better germination.

Complete with interchangeable hose and directional spout available on both self-powered (gas engine) and tractor-mounted PTO models.
