AN INVITATION FOR OPPORTUNITY

My name is Larry Greenwald. I am the President and General Manager of Plantasia. Some of you in the interiorscape industry and allied professions may recognize our name. We feel Plantasia has been one of the innovators in our industry over the years. From our assistance in the formation of the Interior Plantscape Association to participation in the National Tropical Foliage Short Courses, Ohio Floral Short Courses, ALCA-IPD and various lecture tours throughout the United States, we hope, in our small way, that we have helped strengthen the profession as a whole. Last summer culminated in one of the most exciting events in our 15 year history when we were acquired by The Davey Tree Expert Company. Davey Tree is a 78 year old, employee owned, 150 million dollar horticultural company. They currently have offices in 85 markets in 40 states.

The Davey/Plantasia goal is straightforward and exciting: through rapid, yet controlled growth we will achieve significant national market penetration within five years. This growth will provide unparalleled opportunities for our associates to contribute to our success and profitability. We cannot hope to achieve our goal alone. We are looking for the most valuable commodity any organization can have - people. Plantasia needs horticulturalists, supervisors, managers, and operation and sales experts to join our team, learn our system and eventually earn the opportunity to direct divisions of a branch office in one of our selected expansion markets.

If you can offer us energy, self-motivation, innovation and dedication we will provide commensurate rewards:

1. An atmosphere of appreciation for your efforts.
2. Comprehensive training and support.
3. Encouragement for achievement.
4. Unexcelled opportunity for advancement in salary and job responsibility.
5. Stock purchase plan.
6. Excellent fringe benefits.

While we are primarily seeking "fast track" professionals from the interiorscape industry, this advertisement is also appearing in other horticultural publications. If your background encompasses exterior landscaping, turfgrass, landscape architecture or a similar field, we still want to talk to you.

I hope you have found this advertisement different yet refreshing. We are truly excited about our future. If you are willing to make a commitment, we invite you to join our team. **Please send employment and salary history to David Davies, Vice President, Plantasia, Inc., 5221 Ebricht Road, Canal Winchester, Ohio 43110.**
