Irrigation Product Information Shouldn't be a Struggle to Obtain

But when you need it most, it often is. This is why we have created the Irrigation GUIDE.

If you need to find a specific piece of equipment, or you need to know specifications, prices, or how a product stacks up against a leading competitor you are certain to find that information on the more than 250 pages of the Irrigation GUIDE listing 15,000 products of over 90 manufacturers.

And the Irrigation GUIDE won't leave you sitting on outdated material. Each month you will receive new pages which easily replace those listing obsolete information.

Whether you are a landscape architect, contractor, supplier, or other irrigation professional, making irrigation product decisions requires the most current information available.

The Irrigation GUIDE should become your reliable source.

For more information, call:
