BEAUTY IS ONLY SKIN DEEP.

Versatility

Looks can be deceiving. What really matters is what's on the inside, and how it will make your job easier. That's the thinking behind the 2020 riding trencher. Not only can you use it to backfill, but it's less than 36 inches wide, so it will dig just about anywhere you need it to. And isn't that the beauty of versatility? Come take a closer look.
