Plant care products are safe, effective

PEP plant food products contain a natural growth stimulant enriched with chelated micronutrients which promote rapid cell growth, disease resistance, earlier maturity, lusher foliage, brighter more abundant blooms and increased plant production.

PEP plant food is packaged as a ready-to-use liquid, a liquid concentrate and as a time-released granular. Special formulated mixes are for every type application ranging from lawns to decorative indoor plants.

Other NCF products include Kleen

leaf shiner and Saf-T-Oil insecticide.

For professional lawns, PEP has turf products with growth stimulant that result in visual proof of filling divots or bald spots in 72 to 96 hours after application.

Need a wide cut? Try this one

A full 144-inch cut, true dual-hydrostatic zero-turn radius capability and a 42½ hp water-cooled diesel engine are the main features of the new 4500D Turf Runner being introduced by the CTL Corp.

Developed from the ground up as a

144-inch rotary cut machine, it features hydraulic drive wing decks, direct-drive front deck and hydraulic lift on all decks. The machine folds to 78-inch width for easy transport, with a maximum ground speed of 9 mph. It carries a 20-gallon fuel tank and 20-gallon oil tank with oil cooler. The fail-safe hydraulic-release torque

hubs are designed to deliver 11,000 inch/pounds of torque to each drive wheel.

New line of mid-size walk-behinds is announced

Howard Price Turf Equipment of Chesterfield, Mo. has introduced a new line of mid-size walk-behind mowers.

Model WB48K offers a 48-inch deck while Model WB36K has a 36-inch deck. Both mowers are powered by a Kawasaki 12⁴-hp air-cooled engine.

Standard features include top greaseable spindles, easily-removable deck covers, double drive belts, five-speed transmission with reverse, pneumatic caster wheels and individual wheel brakes. Models WB48K and WB36K are designed to be highly productive and maneuverable while offering the user ease of maintenance.

Remove surface stones in minutes

Terracare Products Company of Pardeeville, Wisc. has introduced the Stone Ex Tractor.

The Stone Ex will remove surface stones in minutes, Terracare says. The tractor is fully hydraulic and is used with a 3-point hitch. It can also be used for many other heavy lifting jobs.
