

LANDSCAPE MANAGEMENT

Formerly WEEDS TREES & TURF

On the cover: Tractors for landscapers, as seen by photographer Larry Kassell

1 **POCKET GUIDE**
LANDSCAPE MANAGEMENT's, first pocket guide to versatility weed control, disease control and insect control.

30 **COVER STORY: COMPACT TRACTORS**
by Ken Moehle. Utility vehicles with selected attachments offer a more versatile machine you can use throughout the entire year.

36 **SO DEMANDING**
by Jeff Sobul and Jerry Roche. Seed harvests are up from 1987. But escalating demand will keep supplies short, if not non-existent, into 1989.

45 **GROWTH REGULATORS FOR TREES AND SHRUBS**
by Thomas J. Banko and Marcia Stefani. The further development of plant growth regulators may make them more applicable to landscaping.

50 **ON DESIGN**

52 **WINTER OVERSEEDING**
by A.R. Mazur. Switching from warm-season to cool-season turf and back again is no longer a matter of luck.

60 **UTILITY VEHICLES**
Some utility manufacturers are getting away from the one do it all vehicle to machines designed for specialized tasks. But by no means is it the end of the "do-everything" vehicle.
