

Finn Finishes First...again

After 4 years of development and testing the Finn Corporation is proud to announce the new T90 HydroSeeder. This 800 gallon working capacity model is a joint effort of field input and Finn's 50 years of experience. By combining these efforts, Finn developed the highest quality and most efficient machine in the industry. Check it out.

Clean functional design.

New tank design and agitator allows rapid mixing of heavy slurries.

Quick and easy loading with front hatch.

Spray distances up to 150 feet and plug free performance from all new pumping system.

Better over the road/off road performance from a heavier suspension.
