## The Woods mow'n machine™

**It runs circles around trees, shrubs, fence rails and the competition.**

Maximum maneuverability is the key to the **mow'n machine's** growing popularity. Because engine power is supplied to each wheel independently, a true 360° zero radius turn can be made smoothly. The **mow'n machine** makes all the right moves...even in those hard-to-reach places.

Available with either a gasoline or diesel powered engine, the **mow'n machine** features an out-front mower deck, finger tip controls for speed, direction and braking and a comfortable, padded driver's seat. Plus, your choice of two hydrostatic drives, chain or direct transaxle.

*Adding versatility to the mow'n machine is easy with these easy-on, easy-off attachments:*

Grass Vac  
8 cu. ft. capacity  
Slide-in Nylon Bag

Grass Vac
