

LANDSCAPE MANAGEMENT

38 COVER STORY: RENOVATION TIME

The silver lining to all those clouds we didn't see last summer is the need for lawn renovations. And that's another way for the astute landscaper to put dollars in the ledger.

44 COOL-SEASON WEED CONTROL GUIDE

by Tom Watschke, Ph.D. Good turf management is still the best way to control weeds. But if cool-season weeds appear in your turf, here's how to handle them.

54 WARM-SEASON WEED CONTROL GUIDE

by Tim Murphy, Ph.D. Controlling warm-season weeds requires a one-two punch: vigorous turf and proper herbicide use.

64 ATTACKING FROM WITHIN

by Will Perry and Harry D. Niemczyk, Ph.D. The latest method of insecticide application in turf reduces surface residues, doesn't require irrigation and may give you better control at a lower rate.

74 HOW WILL YOU DO THIS YEAR?

by Rudd McGary Ph.D. The first step in reaching your 1989 goals is to put together a zero-based budget.

78 THE UNSEEN KILLER

by Ricks Plueneke, Ph.D. Subsurface drainage is one of the keys to keeping grass, trees and shrubs healthy. But without a few 'tricks of the trade,' it's difficult to monitor.

84 LEARNING WHILE YOU REST

by Will Perry. Whoever believes learning about plant classification is boring has never been to the Chicago Botanic Garden's Heritage Garden.

88 GELS, WETTING AGENTS FOR TREES AND SHRUBS

by Terry A. Tattar, Ph.D. The success of these products in reducing moisture stress in turf is well documented, but their ability to do the same for woody plants is a pleasant surprise.

94 BLENDING AESTHETICS WITH CONSERVATION

Today's irrigation systems give landscape managers the best of both worlds - efficiency and beauty.

100 A GUIDE TO TURFGRASS FERTILIZATION

by Thomas R. Turner, Ph.D. Many factors are involved in establishing and managing healthy turf. Overlook one, and you may be wasting your time with the rest.

110 DOING IT THE ENVIRONMENTAL WAY

by Will Perry. Environmental Landscape Service's Charlie Racusin can't get bogged down in details. He's too busy keeping his customers happy.
