**Celebrating
Our
30th
Anniversary**
*and we're awarding a
cruise-a-month to celebrate*

Since 1963, California Landscape Lighting has been a leading force in the outdoor lighting field.

As we approach our third decade, we're stronger than ever. To celebrate, we've planned a big year, beginning with our "Lucky 6 Sailing" contest. Each month, until the end of 1992, we're giving away a cruise-for-2 to the Bahamas. A new contest will begin each month. Find out how you could win, by choosing the nation's leading distributor of landscape lighting for all your lighting needs.

WALKER DOES TOP LEVEL WORK ON THE ROOF

When Atlanta based landscape contractor, **Scapes Landscape Management**, wanted to improve efficiency in mowing the award winning Northpark Town Center Rooftop Park, they found Walker fit the job. Steven Coffey, owner of Scapes, told us:

We were surprised to find the Walker gave a better quality cutting job on the Zoysia turf grass than the walk behind reel mower we had been using. In fact, the building management asked us to continue using the "new" mower on their project after the first week we used Walker. Best of all, while improving quality, we cut our job time with the efficiency of the Walker rider. And Walker fits the job because it was compact enough to fit in the service elevator to ride to the third floor park.

We invite you to discover Walker quality and efficiency on your top level work.
