

**Ransomes Front Line 700 Series Riding Mowers:
Engine, Deck Choices**

The Ransomes Front Line "700 Series" riding rotary mowers feature a variety of engine and cutting deck choices. Model 723D features the durable power of a 23-hp liquid-cooled Kubota diesel engine. Model 725 is powered by a 25-hp air-cooled gas engine. Hydrostatic power steering enhances maneuverability and traction.

Four different cutting decks are available, including two low-noise, deep-draft decks in 63- and 72-inch cutting widths. Rear discharge decks are also available in 60- and 72-inch cutting widths.

Questions!! Questions!!

FACT: There is no status quo in grounds management. You either move ahead or fall behind.

Question: What is your profession, and what should you do about it?

Answer: If you are an institutional grounds professional or independent landscape contractor, you belong with the *full range* of your fellow professionals, as represented by the Professional Grounds Management Society, where you are an *individual*, not just part of a member organization. (PGMS is the oldest, most fully inclusive organization of grounds professionals.)

Question: So, what are the steps to getting ahead?

Answer: Join and participate in YOUR professional society
Read Green Industry publications
Attend Educational conferences
Become certified

Let PGMS join you in your future.

We don't just expect you to join us for joining's sake. We're vitally interested in our members' futures. Let us add our expertise and strength to you for your greater attainment.

BOTTOM LINE

Your industry is moving ahead. Are you moving ahead with it? The only way you really know is if you're involved. If you're in grounds management, you belong with other grounds managers, and not trying to do everything alone.

Take the first step by contacting:
