New plastic shield protects applicators

The Applicators Friend shield limits exposure to granular turf products during spreader operations. The shield attaches to Lesco, Agri-Fab and Scotts spreaders in minutes with minimal tools and will not affect spreader operations or spread patterns whatsoever. It is made of high-tech non-corrosive material and is mounted with stainless steel hardware and non-corrosive frame hangers.

For more information, phone (800) 595-2774 or Fax (607) 729-3435
