

## SUPPLIERS CORNER

Turf managers who buy natural organic **Milorganite** fertilizer this fall will help support turfgrass research. According to Milorganite's Larry Lennert, the company will donate \$10 for each ton of Milorganite purchased to the buyer's favorite turfgrass research organization. "Milorganite and its distributors have long sup-

ported turf research at the national level through the O.J. Noer Research Foundation," Lennert says. "This program enables customers to support research at the local level." Milorganite is celebrating its 70th year of serving professional turf managers with natural organic fertilizer.
