Jacklin Seed now comes with

Each Jacklin Seed comes with qualities that go far deeper than the seed itself. Features designed to help you meet your turfgrass needs – now and into the next century:

The industry's leading research and breeding programs – The largest and most sophisticated of its kind, Jacklin's research and breeding program continues to break new ground in turfgrass development.

Five Steps Above™ – These strikingly new Bluegrass varieties are different than any others on the market. They combine unsurpassed color, turf quality and disease resistance with higher seed yields resulting in better seed availability at lower prices.

County Convention Center, Orlando, Fla.; Sabrina Wade, 407/295-7994; 407/295-1619.
