ALCA promotes industry to managers

The Associated Landscape Contractors of America attended Workplace '97 in October, to explain to facility managers the environmental and economic benefits of plants in the workplace. ALCA brought together more than 35 ALCA member companies and suppliers in support of the theme "Hire a Professional Landscape Contractor."

"Our displays and participation vividly demonstrated how plants reshape the work environment and why facility managers should hire a professional landscape contractor," says Judy Guido, chair of the ALCA Public Relations Committee.

"Mommy, where does grass come from?"

"Advanta Seeds Pacific, of course!"
