Creating Simple Solutions

As manufacturers expand controller capability and size, we create convenient solutions to easily adapt our remote control systems. To eliminate hardwiring, we produced Receiver Cards for quick and easy, permanent installation that are capable of operating up to the controller's station capacity. With one transmitter you can control Receiver Cards for Rain Bird® ESP MC & LX, Superior Sterling and Irritrol® Dial & MC controllers. We also offer portable, universal models for all 24VAC controllers.
