Smart Water Solutions

Science City at Union Station · Kansas City, Missouri

"Mixed-use developments with heavily traveled public spaces would be wise to engage an ASIC Professional Member. They make the critical difference in developing sustainable and innovative water management solutions. I don't know who else could design an environmentally friendly bio-swales drainage network for a 1,000-car parking lot like the one we designed for the nation's second largest train station."

ANDY SCOTT
Executive Director • Union Station Assistance Corporation

Professional members of the American Society of Irrigation Consultants have passed an extensive peer review and qualification process.

Working with an ASIC member gives you the confidence that a highly-qualified irrigation consultant is on the job, helping to protect your interests and your investment

Contact ASIC to find a consultant near you.
