The opportunities ahead

The better a company fills a need, the more successful it will be. We asked our *LM150* about their biggest growth opportunities. Here's a sampling of how they plan to grow.

NO 8 **Massey Services Inc.** — Orlando, FL

1. New flea treatment protocols
2. Bed bug recurring services
3. Water management - irrigation

NO 15 **Ruppert Landscape** — Laytonsville, MD

1. Capitalizing on industry talent that's now available in the market
2. Pursuing multi-scope large projects throughout the U.S.
3. Increasing margins by refining the fundamentals

NO 29 **Mariani Landscape** — Lake Bluff, IL

We are focused on maintenance enhancement sales and charging for our design services.

NO 40 **Terracare Associates** — Littleton, CO

1. Continue to embrace technology
2. Lead our industry in developing and maintaining water efficient irrigation systems
3. Further develop our customer centric approach to dealing with all of our clients.

NO 52 **James River Grounds Management** — Glen Allen, VA

1. Applying our redesigned sales process
2. Using new technology to increase efficiencies
3. Expanding our "Green" offerings to clients

NO 58 **DLC Resources Inc.** — Phoenix, AZ

1. Expanding our tree services to generate additional revenue
2. Utilizing our water management expertise as a differentiator
3. Expanding our special projects division to generate additional revenue

NO 62 **Teufel Landscape** — Portland, OR

1. Repeat work from past customers, as they once again feel more positive about spending money for landscape
2. Referral from past customers for new construction that is now happening as a result of available financing
3. Landscape enhancements at properties we currently maintain as customers realize they need to once again invest in their properties
